Stallion 900 Body Parts Catalogue

Rev. 031820130911

Preface

Dear Valued Customer,

Thank you for choosing Stallion Bus. In order to carry out better service for you our vehicles are always being improved. We hope this catalogue can help you know and understand the construction, and equipment used for our vehicles products. We reserve the right to modify our buses in the cause of development. Since the uses of our vehicles are so diverse, Illustrations in the manual are not always identical to the relevant parts on your vehicle, they only represent an example of a single type.

Our service principles are always focused on our customers. The customer always comes first, and new services are developed based on the needs of our customers. Any suggestions you may have regarding the ongoing development of our product are welcome at any time.

If you have any questions please don't hesitate to contact us at (631) 270-3800

Our online parts store is always expanding to better serve our customers, please continue to check our website at <http://www.buspartslink.com> for pricing and availability of parts. If a part is not available online, please give us a call so we can better server you.
